Good morning,

Please be informed that due to a clerical error form PCT/IB/317 was not issued upon receipt of the request to withdraw the priority claim.

The said form has now been issued and a copy of it has been faxed out to the USPTO. Any inconvenience caused is regretted.

With best regards,

Subject: USPTO has not received a Notification of Withdrawal of Priority claim

Dear sir/Madam,

My national phase application of PCT/CA2003/001312, which is US application # 10/570023 is being examined. The examiner has raised issue in her final action that USPTO has not received a Notification of Withdrawal of Priority claim of Canadian application # 2400580, which claim was withdrawn.

Therefore, I would like to request that a Notification of Withdrawal of Priority claim of Canadian application # 2400580 be sent to all national phase entries in AU, CA, EU, IN, US at the earliest because I have very limited time to respond to the final action by USPTO. I also would like to receive a copy of notifications sent to different 5-patent offices listed in the above.

Looking forward to hearing from WIPO at the earliest.

Sincerely,

Sureshchandra Patel

Subject: RE: USPTO has not received a Notification of Withdrawal of Priority claim

Dear Ms. Devillard,

Thank you very much for a copy of fax cover sheet of faxing a Notification of Withdrawal of Priority claim of Canadian application # 2400580 for application PCT/CA2003/001312 to USPTO in the form PCT/IB/317.

However, I have not yet received a copy of the form PCT/IB/317 faxed to USPTO. Also I would like to receive a copy of the form PCT/IB/317 faxed to USPTO by e-mail so that I can include it in my response to final action to avode any further delays.

Thank you again.

Sincerely,

Suresh Patel
